

26-28 JUNE 2025

Gold Coast - Yugambeh
Unleashing Potential

Together with the conference committee, we would like to invite our commercial partners to play an integral part in the Australian Podiatry Conference on the Gold Coast – June 26-28 2025.

This event is one of the largest podiatry conferences in the world, bringing delegates from around Australia, New Zealand, South East Asia and beyond together in one place.

We anticipate more than 1,000 podiatrists will attend, including clinicians from private practice, hospital and public sector, academics, recent graduates and current students.

The theme for 2025 is Unleashing Potential, encapsulating the exciting future and prominence of the podiatry profession.

We are currently planning an exciting program encompassing clinical, scientific and commercial streams. The conference will cover key streams relevant to podiatry covering Aboriginal and Torres Strait Islander Foot Health, Paediatrics, Sports & Musculoskeletal, High-Risk foot, Rheumatology as well as new and emerging technologies and services that will add value to your practice.

We are excited to welcome a range of national and international keynote speakers, supported by local experts and peer contributors.

Delegates will have access to a range of targeted hands-on workshops, set within the venue, where clinical skills and academic learning occur simultaneously.

We invite our trade partners to become actively engaged in this event via sponsorship of sessions or speakers, hosting workshops, demonstrating your products and services in the exhibition hall, and building your networks and relationships amongst a large group of vibrant and eager-to-learn podiatrists.

The wonderful precinct around the Gold Coast Convention and Exhibition Centre is the perfect setting for this major event.

The contributions and presence of commercial partners and suppliers to the profession is vital for the success of the conference experience. We look forward to welcoming you to the Australian Podiatry Conference on the Gold Coast.

### What's New

With a record-breaking 1,000 delegates attending in 2023, the expectation for the 2025 conference is to attract even more delegates.

# More Activity in the Expo Area

With three workshop spaces within the exhibition there will be delegates within the trade area more often than solely the catering breaks.

### **Better Exhibition**

The 2025 exhibition will follow the bright, attractive, open, contemporary and inviting exhibition hall that was new to 2023, to actively encourage delegates to interact with trade. The Conference App can also be used to share virtual resources, exclusive offers, and valuable other content.

### More Diversity

The exhibition hall will have a larger range of companies and organisations promoting all areas of podiatry and related services and products.

### Better Visibility for Trade

Sponsors and exhibitors in 2025 will be offered a complementary promotional video (supplied by the sponsor/exhibitor) to be shown during the Plenary sessions to promote your company and attract delegates to your stand.

# Better Inclusion into Program

Workshops will be convened within the overall program covering key areas of podiatry – footwear, orthotics, services, treatments etc. – with up to 5 companies within each category able to present to interested delegates.

# Delegate Information & Networking

The Conference App will be available for you to scan delegate nametags to collect important contact information. You can also include customisable qualification questions, making it easy to prioritise and segment your most valuable leads.

### **Better Value**

This all adds up to a more valuable, productive, profitable and enjoyable experience for our valuable trade partners.
