

NEW GRAD PODIATRIST OPPORTUNITIES 2025

Come and join our growing team!

We are seeking New Grad Podiatrists to join our Sunshine Coast, Gold Coast and Brisbane teams.

APPLICATIONS CLOSE 31 AUGUST 2024, or earlier if positions are filled

WHAT WE OFFER

- ✓ New grad training week! A jam packed week full of training and mentoring held on the Sunshine Coast which includes accommodation, social events, and ample opportunities to connect with other disciplines within the group,
- ✓ Weekly mentoring sessions with senior clinicians to facilitate your ongoing growth,
- ✓ Working with a multi-disciplinary team, and opportunity to work across clinics and in-home community care,
- ✓ \$2000 towards continued professional development to support your clinical development, as well as a range of regular internal CPD and in-services,
- ✓ Flexible work arrangements to facilitate your personal lifestyle and goals,
- ✓ 50% staff and immediate family discount to access our entire range of Sports and Spinal services,
- ✓ Attractive remuneration with regular reviews and growth potential based on performance and development achievements,
- ✓ Pet Leave Policy because pets are family,
- ✓ Employee Assistance Program to support your wellbeing,
- ✓ Support and resources of an established and high performing Allied Health Group

ABOUT PODIATRY AT SPORTS & SPINAL

Podiatry at Sports & Spinal is a standalone business that operates within the Sports & Spinal group – with teams dedicated to both the clinics and community care (Total Rehab Solutions). Overall, we have evolved into a team of 15 dedicated and passionate Podiatrists covering the Sunshine Coast, Brisbane, and the Gold Coast areas and are looking to continue to grow our teams.

In the clinic setting, although we cover all aspects of Podiatry care there is most definitely a focus on Sports & Exercise Podiatry with both Podiatry partners having 17+ years' experience within this area. Our unique Podiatry systems have also been designed specifically to cater for this, helping cultivate our Podiatrists into leaders in Sports & Exercise care.

ABOUT THE SPORTS & SPINAL GROUP

Over the past 30+ years, the Sports and Spinal Group has evolved into one of the leading Allied health groups in South-East QLD. With a focus on training, professional development and creating a culture where people love coming to work.

Our values are simple:

- Respect all,
- Be memorable,
- Collaborate and grow,
- Innovate for the future,
- AND show the love!

NEW GRAD PODIATRIST OPPORTUNITIES 2025

ABOUT THE PODIATRY ROLE

We are looking for someone who:

- Is interested Biomechanics and Sports & Exercise Podiatry,
- Wants a diverse caseload to spark other Podiatry interest areas,
- Thrives working collaboratively with other allied health professionals, and loves the buzz of getting great results together,
- Is driven to progress their career,
- Enjoys working flexibly and autonomously, but also enjoys leveraging the experience and services other podiatrist and allied health professionals.

SKILLS & EXPERIENCE

To be considered, the right new graduate applicant must be in the process of becoming qualified in Podiatry and certified with AHPRA.

APPLICATIONS CLOSE 31 AUGUST 2024, or earlier if positions are filled
